1. And now the sun's de — cli — ning rays To — wards the eye de — cend;  
 2. Lord, on the cross Thine arms were stretched To draw us to the sky;  
 3. To God the Fa — ther, God the Son, And God the Ho — ly Ghost,

E'en so our years are sink — ing down To their ap — point — ed end.  
 O grant us then that cross to love, And in those arms to die.  
 All glo — ry be from saints on earth, And from the an — gel host.
